DIGITAL LITERACY

Why It Matters for Students

What is Digital Literacy?

- Digital literacy means the ability to:
- Use digital devices (laptops, smartphones)
- Find and evaluate information online
- Communicate effectively using digital tools
- Stay safe and responsible on the internet
- It helps students learn, collaborate, and grow in the digital world.

Safe Internet Practices

Stay protected online by following these tips:

- Use strong passwords (mix of letters, numbers, symbols)
- Don’t share personal information publicly
- Avoid clicking unknown links or emails (phishing)
- Keep apps and software updated
- Use secure websites (https)

Useful Digital Tools for Students

- Google Drive – Store and share files
- Google Docs – Write assignments online
- Canva – Create presentations & designs
- GitHub – Showcase projects
- Khan Academy / Coursera – Learn new skills
- These tools improve productivity and learning.
- Final Tip

Digital literacy is not just about using technology — it’s about using it smartly, safely, and effectively.
